

I would like to request BU mechanic service customer support trip to near Dar Pein for ZX130-5G (90219) engine can't start issue of Nay Min Gabar Co.,ltd.

In today, Nay Min Gabar Owner will visit to machine arrival job site but machine was failure. So, they need to test run the machine before their boss arrive. But our branch service team is can't contact, so I want to use our BU mechanics to solve the problem of customer in time.

We will use fuel about 50000 ks for this issue of trip.

Please kindly check and approve.🙏

With best regards,

Ko Sai
