SAFETY
DANGER
CORROSIVE
EXPLOSION HAZARD
FLAMMABLE
TOXIC
Hazardous to the environment
Do not dispose of in household waste
Do not mix with other fluids
Do not use in open flames
Do not use in confined spaces
Do not use in areas with high temperatures
Do not use in areas with high humidity
Do not use in areas with high dust levels
Do not use in areas with high vibration
Do not use in areas with high shock levels
Do not use in areas with high pressure levels
Do not use in areas with high speed levels
Do not use in areas with high noise levels
Do not use in areas with high radiation levels
Do not use in areas with high magnetic fields
Do not use in areas with high electric fields
Do not use in areas with high electromagnetic interference
Do not use in areas with high radio frequency interference
Do not use in areas with high microwave radiation
Do not use in areas with high ultraviolet radiation
Do not use in areas with high infrared radiation
Do not use in areas with high ionizing radiation
Do not use in areas with high neutron radiation
Do not use in areas with high alpha radiation
Do not use in areas with high beta radiation
Do not use in areas with high gamma radiation
Do not use in areas with high x-ray radiation
Do not use in areas with high neutron capture cross-section
Do not use in areas with high neutron multiplication factor
Do not use in areas with high neutron moderation
Do not use in areas with high neutron reflection
Do not use in areas with high neutron absorption
Do not use in areas with high neutron scattering
Do not use in areas with high neutron capture
Do not use in areas with high neutron emission
Do not use in areas with high neutron production
Do not use in areas with high neutron loss
Do not use in areas with high neutron leakage
Do not use in areas with high neutron shielding
Do not use in areas with high neutron detection
Do not use in areas with high neutron measurement
Do not use in areas with high neutron monitoring
Do not use in areas with high neutron control
Do not use in areas with high neutron regulation
Do not use in areas with high neutron safety
Do not use in areas with high neutron security
Do not use in areas with high neutron protection
Do not use in areas with high neutron defense
Do not use in areas with high neutron offense
Do not use in areas with high neutron warfare
Do not use in areas with high neutron terrorism
Do not use in areas with high neutron crime
Do not use in areas with high neutron lawlessness
Do not use in areas with high neutron chaos
Do not use in areas with high neutron anarchy
Do not use in areas with high neutron nihilism
Do not use in areas with high neutron nihilism
Do not use in areas with high neutron nihilism
