suggestions and shared tips on how to maintain.

2025 - Met with customer U Phone Myint in Mandalay. He is planning to buy a wheel loader. He also requested our service team to come and repair his machine (ME210). He is facing difficulty transporting the machine to Mogyoke due to route. I coordinated with the Shwebo Branch to arrange the service supports, then returned to Yangon by night bus.

20.6.2025 - Arrived in Yangon at 9:30 Am and went to the office.
